	<p><u>“Video Encyclopedia of Pool Shots (VEPS)” DVDs</u></p> <p>5-DVD series with co-author Tom Ross, covering 750 shots in 50 different categories, including 250 useful "gems" of the game. Topics include: basic shot making and cue ball control, English and position play; safety play and strategy; banks, kicks, and advanced shots; and skill and specialty shots. VEPS reveals all of pool secrets and covers every type of shot, principle, and technique important in the game of pool.</p> <p>from <u>Gerda Hofstatter</u> (WPBA professional; US, European, and World Champion): <i>"VEPS is the most comprehensive work on the game of pool I have seen. It is extremely educating, concise, and entertaining. Everyone who loves pool and wants to improve their understanding of the game should study it. I am recommending it to everyone I know."</i></p> <p>from <u>Tom Simpson</u> (BCA Master Instructor and ACS Level 4 Instructor/Coach): <i>"In my opinion, this is the greatest single resource for players ever created. Packed with knowledge, clear demonstrations, simple explanations, and good pool sense."</i></p>
	<p><u>“Video Encyclopedia of Pool Practice (VEPP)” DVDs</u></p> <p>5-DVD series with co-author Bob Jewett covering over 175 drills and challenges in 30 different categories. VEPP is an organized and methodical training program and pool workout. It teaches you how to develop, assess, and track progress of skills in all aspects of your game. It is the most comprehensive collection of drills ever published. VEPP provides everything you need to elevate your game to the next level, and is an excellent companion to VEPS series. VEPS shows you everything possible at the table, and VEPP shows you how to develop the skills required to execute the VEPS shots with confidence.</p>
	<p><u>“The Complete Instructional Works of Tom Ross” CD-ROMs</u></p> <p>The entire collection of instructional articles written by long-time respected pool coach and instructional author Tom Ross. The CD-ROMs include all 235 of Tom's articles dealing with a wide range of pool and billiards topics, covering mechanics, shots, drills, and mental aspects. The articles are organized into various categories and also listed chronologically. They can be viewed on-screen or printed from the CD-ROMs.</p>
